

# Wonder Thumb

1. Print this page out at 100%, **DO NOT "SCALE TO FIT"** when printing!
2. Check that the page printed out the correct size using the reference scales below.  
If corrections are needed, rescale until your printout matches the reference scale
3. Cut out the ring sizer shown above, and cut a small slit in the black line next to the arrow.
4. Slip the pointed end through the slit with the writing facing out.
5. Place the ring sizer around your left thumb.
6. Tighten the ring sizer by pulling the pointed end. The fit should be snug, yet comfortable.
7. Read the size indicated by the shaded box "Read Size Here"
